

COLLEGIATE

From Greek life to the college bookstore, you'll find **BELLA+CANVAS** is the collegiate apparel go-to. We know students are eager to rep their university and their Greek letters, so we make super soft tees and fleece that will become live-in-it favorites. We have plenty of fashion-forward styles, perfect for the college demographic, plus all the top school colors.

SHOP COLLEGIATE

Collegiate merch creates a sense of belonging and a surge of school spirit. The college or university's brand can be driven by color, mascot, or tagline.

Students want to keep their favorite sweatshirt for years to come. It becomes a tangible memory. You want to make sure the garment doesn't shrink, that it becomes softer with age, and that it can withstand years of wear.
