## WOMEN'S PREMIUM

We've pioneered women's on-trend wholesale apparel, introducing retail-inspired silhouettes and colors before others made the leap. By focusing on the right fit and fashionable silhouettes, **BELLA+CANVAS** has curated a selection of women's premium styles perfect for both promotional campaigns and fashion forward projects. You can rest assured that no other brand in the industry has as many on-point women's options as **BELLA+CANVAS**.

- Signature Textures: Now, more than ever, customers are searching for ways to stand out and be different, our slouchy and flowy styles can be a great way to do just that.
- Triblend: Customers won't want to settle for anything less once they are introduced to our triblend because they feel like something out of a retail store.
- Flowy: These styles are designed with a drapey fit from an elevated, luxurious fabric that flatters a wide range of body types.
